2. [REDACTED] LIAISON Called Walt Sheridan, on the staff of the Subcommittee on Health and Scientific Research, Senate Committee on Human Resources, and asked whether the Subcommittee had a copy of the diary of former STAT U.S. Government official [REDACTED] who was involved in drug testing activities in San Francisco. I explained that the Agency was attempting to contact subjects of this research pursuant to a recommendation of the Subcommittee. Sheridan informed me that the Subcommittee did not have a copy of the diary but it was located at Foothill Community College in the STAT San Francisco area.
